This contract is entered into by Stud Dog Owner, David and or Melinda Poling and \_\_\_\_\_ [Bitch Owner Name]. STUD FEE \$2,000. Half (\$1,000) is due to be paid up front before breeding. The other half (\$1,000) is due within 3 days of the litter being born.

If she fails to be successfully bred, then this deposit rolls over to the next breeding. AKC registration papers will be signed by Tekoa's owners once the stud fee payment is paid in full.

#### **DEFINITION OF "LITTER"**

A Litter, for the purposes of this contract, is defined as a minimum of 2 puppies born alive. If breeding does not take, a Repeat Breeding will be given to the same Bitch on her next season. If the Bitch fails to conceive on the return service, this contract is terminated. If other arrangements have not been made with the Stud Dog Owner(s) and the Bitch is not bred on her next season, or is bred to another Stud Dog on her next season, the payment is forfeited. The possibility of stud fee amount being transferred towards the balance of a puppy out of our bloodlines can be decided and determined by Stud owner at the given time. If Litter results in only one puppy, and the Bitch Owner does not wish to repeat the Breeding, the stud fee paid prior to Breeding, plus expenses, will be considered payment for a one puppy Litter and the Contract is fulfilled.

**STUD DOG OWNER AGREES TO:** 1) Provide a four-generation pedigree of the above-named Stud Dog; 2) Provide copies of any OFA or other clearances or testing results that have been performed on the Stud Dog; 3) Provide documentation of a current clear Brucellosis screening; if requested. 4) Take proper care of the Bitch while in Stud Dog Owner's charge; 5) Sign Litter Registration promptly upon request.

**BITCH OWNER AGREES TO:** 2) Pay the agreed Stud Service Fee before the Bitch is serviced; 2) Provide a four-generation pedigree of the Bitch to be bred;

3) Provide copies of any OFA or other clearances or testing results that have been performed on the Bitch to be bred; 4) Provide documentation of a current clear Brucellosis screening; If while in care of the Stud Dog Owner, a culture or veterinary examination may be required at the Bitch Owner's expense if there is any suspicion of a problem. Bitch Owner shall be liable for any loss of Stud Dog's future services due to Bitch Owner's concealment of health problems; 5) Send the Bitch in good health, free of parasites or infections, and in season; 6) Notify Stud Dog Owner in the form of a signed Veterinary Note, no later than 70 days after Breeding, if no pregnancy results from the mating. Failure to do so will result in no return service being provided; 7) Keep the Bitch properly confined following Breeding to ensure no other Dog could mate her accidentally before her season is complete; 8) Agrees to not knowingly sell or transfer puppies resulting from this breeding to any person or firm connected with the business of resale or wholesale of dogs. 9) Pay any and all veterinary and financial arrangements, including, but not limited to traveling expenses, emergency vet care related to this Breeding, etc.

**OTHER AGREEMENTS:** Bitch Owner is responsible for all testing done to the bitch prior to and during breeding to assure the proper timing of said breeding. If Stud Dog is able to perform naturally and for some reason the Bitch Owner asks for artificial insemination or the Bitch cannot be bred naturally, Bitch Owner is responsible for cost of said process. If Bitch Owner is not willing to pay for progesterone testing, smears or AI's this should be stated ahead of time and included in the contract initiated by both parties. If this is the case we will try our best to breed the dogs at the proper time but if no puppies result the deposit is forfeited and no repeat breeding is offered. The cost of shipping Bitch to and from Stud dog is that of the Bitch Owner. Stud Dog Owner does not charge a boarding fee or pick up and delivery charge unless Bitch must stay for a longer period of time than what is usually necessary or if Stud Dog Owner must travel over 20 miles to pick up Bitch. Bitch Owner is responsible for the cost of Bitch's food, supplements and medication while in the care of the Stud Dog Owner. Bitch will be treated like one of the Stud Dog Owner's own animals when in the care of the Stud Dog Owner. Bitch will be kept inside in Stud Dog Owner's home during her stay. She will be exercised, played with and pampered. Stud Dog Owner will make his/her greatest effort to make sure this Bitch will feel comfortable during her stay, as well as being adequately separated from Stud Dog Owner's other male dogs. Bitch will be bred two to three times naturally or artificially depending on what the Stud Dog Owner's veterinarian feels is best to cover the entire breeding cycle or agreed upon with bitch owner. We will make every effort to cover the entire breeding

cycle of the bitch. No puppies resulting from the breeding may be sold to brokers, pet shops or puppy mills. Should this part of the contract be ignored Stud Dog Owner will pursue this clause in a court of law. Further, Stud Dog Owner requires that no puppies sired by this Stud Dog are sold outside the United States unless expressed permission is given in writing by same.

**Additional:** Bitch Owner agrees to provide Stud Dog Owner with a list of names and addresses of owners of puppies resulting from this breeding. All puppies are to be sold on limited registration papers with spay/neuter contracts. The only exception is if the owner of the bitch being serviced is holding back a puppy to be apart of their own established breeding program. Stud Dog Owner will happily provide Bitch Owner with a copy of the signed spay/neuter contract for each puppy sold if requested. Stud Dog Owner would appreciate being informed of puppies that are returned for any reason. An effort will be made on the Stud Dog Owner's part to help Bitch Owner find a new home for said puppy if requested. Stud Dog Owner wishes Bitch Owner to understand that he/she takes the breeding of said Stud Dog very seriously and will be very interested in the puppies resulting from this litter for their entire lifetime. Stud owners agrees to accept returned puppies if the Bitch Owner is unable to at that time.

I understand the above written contract and agree to abide by all sections both typed and written. Both parties agree to all of the above agreements and terms.
